

July 13, 2001

Dear T. F. Green Airport Master Plan Study Resource Committee Member:

The Rhode Island Airport Corporation (RIAC) is pleased to transmit to you the following materials for the upcoming July 25th and July 26th meetings of the Study Resource Committee (SRC):

- Meeting Agendas for July 25th and 26th
- June 28th Meeting Summary
- Responses to Comments and Questions from the June 28th Meeting
- Revised SRC Contact List
- Current Master Plan and Environmental Impact Statement (EIS) Schedule
- A brief overview of the forecast elements that will be prepared for the Master Plan

The July 25th and 26th meetings will allow significant time for discussion and input into the important forecasting effort. In response to SRC member requests, the meeting is also geared to foster dialogue among members to strategize on potential growth and factors that could slow growth.

Thank you for your participation, and I look forward to seeing you on the 25th and 26th.

Sincerely,

A handwritten signature in blue ink, appearing to read "Michael G. Cheston", with a long horizontal line extending to the right.
